

2023 BENEFITS OVERVIEW

WELCOME Benefits are an important part of overall compensation. We are pleased to offer a comprehensive array of quality benefits to protect your health, your family and your way of life.

MEDICAL PLANS

We offer employees a choice among four different medical plans. Coverage under all plans includes comprehensive medical care and prescription drug coverage.

United Healthcare HMO Plans (CA Only) — With this plan, you select a primary care physician (PCP) from the participating network of providers who will coordinate your health care needs, refer you to specialists (if needed) and approve further medical treatment. Services received outside of the HMO's network are not covered, except in the case of emergency medical care. Please note that our two plans include the same level of coverage however the networks differ. SignatureValue Advantage includes a slimmer network of physicians (at a lower cost).

United Healthcare PPO Plan — This plan gives you the freedom to seek care from the provider of your choice. However, you will maximize your benefits and reduce your out-of-pocket costs if you choose a provider who participates in the United Healthcare network. The calendar-year deductible must be met before certain services are covered.

United Healthcare HSA Plan — Like the PPO Plan, the High-Deductible Health Plan (HDHP) gives you the freedom to seek care from the provider of your choice. You will maximize your benefits and reduce your out-of-pocket costs if you choose a provider who participates in the United Healthcare network. In addition, the HDHP comes with a health savings account (HSA) that allows you to save pre-tax dollars¹ to pay for any qualified health care expenses as defined by the IRS, including most out-of-pocket medical, prescription drug, dental and vision expenses.

You may contribute to your HSA through pre-tax payroll deductions to help offset your annual deductible and pay for qualified health care expenses. In addition, we will contribute \$750 annually to your HSA if you enroll in employee-only coverage and \$1,400 annually if you enroll yourself and one or more family members. **To be eligible for the HSA, you cannot be covered through Medicare Part A or Part B or TRICARE programs.**

Important: Your contributions, in addition to the company's contributions, may not exceed the annual IRS limits listed below:

HSA Contribution Limit	2023
Employee Only	\$3,850
Family (employee + 1 or more)	\$7,750
Catch-up (age 55+)	\$1,000

¹ tax free under federal tax law; state taxation rules may apply
